Living in Liminal Time - *Mark Green*

Our biblical story of focus for January is the Call of Samuel found in the first few chapters of the book by the same name. In this story, the young boy Samuel is in the charge and oversight of Eli, the aging high priest of the temple. This is a transitionary story as God chooses Eli's successor and supplants Eli's own sons who have been behaving recklessly and offending God. In the story, Samuel hears the voice of God and mistakes it for Eli calling him and rushes to his side. After the third time Eli realizes in his wisdom as an elder that it's Gods voice and instructs Samuel on how to respond. And from there the tale unfolds. It's a story of intergenerational learning. It's a story of transition. It's a story that has the characters living between what was and what will be. It's a story of liminal time and leadership transition.

We too are living in Liminal Times. We are transitioning all the time as a society between values and practices of the past that are receding to be replaced by emerging values and practices. Some of this change is intentional. Some of it is accidental. And some of its completely foreign as what lies ahead cannot be imagined or known. The rate of this change can feel mindboggling especially as Artificial Intelligence manifests itself in both known and unknown ways. The liminal space is suspended time between the known and the unknown. And it is a time ripe with both danger and opportunity.

Liminal time can be disorienting and unnerving. We can wonder where we belong and where we will fit. We can in the midst of this choose to hibernate or retreat hoping that the change will be over soon. We can enter into the change and risk being changed ourselves or overwhelmed. We can resist the change and try to harken back to what was. Being in liminal times isn't easy.

And yet the story points to the possibilities of liminal time as well. That thin veil that at times separates us from the holy is transparent enough for us to catch glimpses. We can see an alternative future. Coming on the heel of Advent, the words of the Magnificat and the promise of the Christ child invite us to open ourselves to possibilities and commit our own lives and living, to this Godly manifestation. As the angel voices recede, the message has become a part of us. We enter a time of transition – of liminality.

And so, we have choices to make, like Samuel. What courage, tenacity, wisdom will we draw from to embrace what it is that God has called us to? Who will be our companions and our pilgrims along the way? Can we be in liminal time without knowing definitively the answer to any of these questions? Let's find out together.

STAFFING UPDATES

Margaret will be on holidays from January 16 to February 1, 2026.

Oscar's work permit extension application with Immigration Canada did not go through. We are working on an appeal and pulling together coverage while Oscar is on leave. He is missed and we are working with him to navigate next steps.

Mark will be away on Sabbatical beginning Feb 7th, 2026, until near the end June 2026. This will be a time of study and renewal. See article about Sabbatical

From time to time, different members of BVU have received emails from staff asking them to pick up gift cards or to email them secretly as they are busy and in a meeting/prayer. Please note that you will never be asked to purchase gift cards of any kind by members of the staff. If you are suspicious about an email you receive from us or anyone else, be sure to check the originating email as it will likely be fraudulent. Phone the church office to inquire as well as a secondary back up. Recently, someone sent around an email along with a staff photo... Please be careful.

SABBATICAL TIME FOR MARK IN 2026

Sabbatical leave in the United Church is time that is made available to clergy every 5 years of continuous service in a pastoral charge or ministry position. Its purpose is to offer an extended time for rest, renewal, reflection and learning; a sort of reset time. I was last on Sabbatical in the spring of 2019. While I was eligible in 2024 to be on sabbatical again, it was at a time of great change with our having just moved into the newly renovated site and the first year of amalgamation with First Met folks. It was clear that my being away wouldn't be wise for the congregation or myself. Now as we enter 2026, the time has come for me to take a break so that I can continue in ministry here at BVU feeling grounded, renewed and refocused. Ha Na has been in the position of co-lead long enough that she is firmly embedded in the culture of BVU and Dalia has come on board to take on many of the day to day tasks related to operations that make it possible for me to step away.

As I put my proposal for sabbatical together for the board, I began to list some of the things that I've been involved in leadership wise since my last sabbatical, and in the process, it became very clear to me why I'm feeling weary and am ready for this time away. Since my last sabbatical I've navigated, 2 amalgamations, new governance and staffing model (policy and HR manual), a large building renovation project, COVID, development of 2 social enterprises, 5-year strategic plan development, revisioning process and 15 staff changes due to retirement, new hires, expansion and death. These were the major items.

And so, beginning Feb 7th I will be away from the office until near the end of June. My time away will include both study time, sabbatical time and 4 weeks of my holiday time. That will leave some holiday time to still fit in before the end of the year but the timing of that is still to be determined. I will be around for Margaret's celebration of retirement as well. I appreciate very much the gift of this time away and look forward to returning feeling refocused and renewed. Thank you all for this gift of time.

STEWARDSHIP UPDATE

Thank you to everyone who participated in our brief stewardship campaign this year. We received 96 pledges with an average increase of 6% and 4 new givers for 2026. Whether you pledged or not, we appreciate all that you offer to BVU in financially supporting us throughout the year. If you would like more information on how to give on a monthly basis or how to include the church in your end-of-life financial planning, feel free to reach out to the BVU treasurer. The office will be happy to put you into contact to him.

WE NEED YOUR HELP ON THE COLDEST NIGHT OF THE YEAR

The Coldest Night of the Year is a family-friendly walk on **Saturday, February 28**. This is an important fundraiser to provide support to the many in our neighbourhoods who are experiencing hurt, hunger, and homelessness.In Victoria, the Coldest Night of the Year supports **Our Place Society**.

Demonstrate your support by donating to the Broad View United team.

To donate:

1. Please go to **cnoy.org** , then click on the "**Donate**" button.
2. A search box will appear. In the search box, **type “Broad View United”** and click "**Go!**".
3. You’ll see the Broad View United team listed at the top of a list of teams. **Click on “Broad View United”**.
4. Once on the team’s page, **click the "Donate to Team"** button.
5. On the next page, you will be given the option to either donate to a specific team member or to the team as a whole.
6. Follow the prompts to finish your donation.

Donations for our team will continue to be accepted well after the Coldest Night of the Year walk on February 28.

You can also support by joining the Broad View United team. **Our team will be walking a 5-km or 2-km route on February 28 that starts on Pandora and goes south toward Beacon Hill Park**. Some of our walkers choose to participate by self-organizing with friends or individually to walk on their chosen path any time in February. Regardless of where or when you walk, we ask all our walkers to register with the Broad View United team at cnoy.org so your fundraising adds to our Church’s total donation.

Last year the Broad View United team was among the top teams in Victoria by raising over $11,000. **For 2026, the need has only grown and so Broad View United is responding with a goal to raise $12,000**.

BABY SHOWER FOR JESUS Jan 4th

Items are being collected up until Epiphany Sunday Jan 4th. Diapers, wipes, formula, tampons and baby food are all gratefully received and shared with Saanich Neighbourhood Place (SNP) who distribute them to those in need post Christmas. Many on social assistance find their budgets very stretched after Christmas and these essential items are expensive and cut into already escalating food budgets for local families. Your donations help young families provide for their young children. Items can be placed in the Narthex or by the office. Thank you so much.

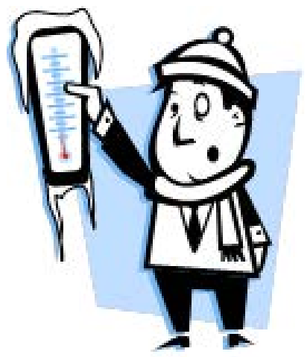

ITEMS NEEDED INCLUDE:

- **diapers -** sizes 4, 5 and 6 (little ones stay in the large sizes longer so therefore higher demand!)
- **pull ups**
- **infant formula**
- **wipes**
- **baby food**
- **infant cereal**
- **toilet paper**
- **feminine hygiene products**

EXTREME WEATHER EMERGENCY SHELTER UPDATE

We were open for Boxing Day night in December, but communication channels were not available for many of the usual spaces due to the holiday and so we didn't have any turnout. It will take a little time before we are known.

THE MARGARET CAMERON TRUST FUND UPDATE

Donations from the MCTF are disbursed semiannually to support those in need within our community. In 2025, the Spiritual Care Team Subcommittee allocated funds to the following recipients:

1. **Mustard Seed Church "Fair Start" Program**
   - $4,000 was used to provide 98 School Backpack Kits for local students.
2. **The Cridge Centre for the Family**
   - Received $4,000 to enhance food security.
3. **BVU Ministers Benevolent Fund**
   - Awarded $2,000.
4. **BVU Evolving Church**
   - Granted $1,000 for the Christmas NPNA Food Hamper Program.

ANGEL GIFTS

Thank you to everyone who participated in this year's Angel Gifts program. Because of your generosity, BVU donated 150 carefully chosen, beautifully wrapped gifts to members of the Our Place family—gifts that, for many, were the only present they received this Christmas.

Delivery day was wet and stormy on Pandora Avenue, yet the spirit of giving shone brightly. We extend our heartfelt thanks to **Robin, Mary Jane, Gordon, Liane and Doug** for their dedication with registration, sorting gifts and accounting; to **Janiena** for faithfully tracking gifts throughout the week; and to **Ross, Marietta, Oscar, and Vivian** for loading vehicles in the pouring rain.

Your kindness turned a rainy day into a true celebration of the Spirit, and we are deeply grateful.

Thanks - **Maureen and June**

SOUP SOCIAL FALL 2025

The Evolving Church team would like to thank the congregation for donations of baking for the Soup Social for seniors from the 55+ plus program at Our Place. A dozen seniors, with their team leader, Salome Waters, joined us at noon on Wednesday November 19th. A few senior members of the congregation hosted at each table. **Jacquie Henderson** led the group in a singalong afterwards, and **Sarah McConnell** the Thrift Store Manager brought $10 gift certificates for each one of us.

Gratefully,

The Evolving Church team: *Marilyn Banfield, Penny Bond, Judy Booth, Shelagh MacKinnon, Emily MacDonald and Jean Margison.*

What's the BUZZ about Small Groups?

Psssst! Mark your calendars to attend a drop-in session where you can learn about BVU'S Small Group Ministry. Grab a cup of coffee, and come meet some of BVU'S small group leaders and members.

1. What are small groups?
2. How do I join a group?
3. What goes on in a small group?
4. Can I join with a friend or family member?
5. Is there a secret handshake? (wink, wink) 😉

Here are some testimonials about our small group program!

I appreciate the support our group gives to each other in good times and bad.

I like getting to know people in the congregation so I feel more connected to the community when I come to church Sunday morning.

I appreciate the depth of sharing in our group. It is a place where I can be authentic and know I will be accepted and heard without judgement.

One attractive aspect of small groups is that each decides its own destiny! If you want a focus you select one. If you don't, you don't. It is where deep friendships are formed, meaningful conversations occur, respectfulness is honoured and pastoral care happens naturally. ★★★★★

GRATEFUL FOR THE CHAOS, GRATEFUL FOR EACH OTHER

Our intercultural gatherings have grown into something that truly feels like a big family — chaos and all.

Tables full of food from many places. Stories shared across languages. Laughter everywhere. Kids running freely. Voices overlapping. And people caring enough to really listen.

There is a deep bond holding us together — like a blanket that keeps us warm, like threads woven together despite our differences.

We love this living, intercultural community we are becoming at Broad View United.

Grateful for the chaos.

Grateful for each other. ❤️

HELP SHAPE WHAT COMES NEXT 🌱

Thank you for being part of our intercultural community. As we look ahead, your voice matters. We invite you to complete a short feedback survey to help shape our Spring 2026 intercultural programs.

👉 Survey link:
https://www.jotform.com/build/253565508646062
(As a thank-you, participants can enter a draw for an H Mart gift card 🥟🍜)

Your reflections will help us discern what to continue, what to grow, and what new possibilities might be emerging among us.

WHAT'S NEXT IN JANUARY

After our Intercultural Christmas event, we will take a short break and resume our gatherings on January 10.

During the month of January, we will pause the usual program sequence (Language Café → Culture Market → Learning Party → Taste of Home). Instead, January will be a time to dream together about what is possible.

Rather than following a set format, we will create space for listening, sharing ideas, and experimenting. Participants are invited to offer what they would like to experience or explore — a conversation, an activity, a shared interest, or something new that hasn't yet taken shape.

The feedback from the survey will help guide these conversations, and together we will begin shaping our **Spring 2026 programs**.

Stay tuned — we're excited to imagine what comes next, together.

JUSTICE FAIR Sunday, January 11

A new year begins, which also mean new possibilities! Our call as a community of faith to work for justice for the oppressed and the marginalized is ongoing. Some of our regulars will return – products that support Palestinian farmers, reconciliation actions, climate, community care and much more. Please consider sharing a organization or action you support. Perhaps it's locally based or global. Yet the Justice Fair always offers space to highlight new ways to live out our call. There are opportunities to connect people and ideas. Come browse and buy and learn about the rewarding work of our congregation members!

To participate, please contact either Barbara **bmhansen@telus.net** or Robin **robin.breckon@gmail.com** in advance (by Wednesday, January 8) so we can arrange support and space.

COOKIES AS AN ACT OF SOLIDARITY IS RADICAL HOSPITALITY

A heartfelt thank you to BVU folks who contribute cookies to the weekly Palestinian Solidarity rallies. We feel blessed when people make a point of telling us how much BVU's cookie hospitality means to them. BVU has named radical hospitality as a priority for our congregation and we are living that out, in a small but significant way, at the rallies. We break bread (well cookies!) together and that sparks conversation and builds a web of connection and community. Please continue your steadfast support and consider joining us every Saturday at 1pm at the Legislature. For more information contact Barbara bmhansen@telus.net or Robin robin.breckon@gmail.com

New Relationships

Broad View United continues to build bridges beyond our own congregation as we participate in different actions against the occupation and genocide happening in Gaza.

Coming soon! Insightful and informative Justice Events at BVU. Stay tuned for more information on upcoming discussions, films and social justice events.

THRIFT STORE UPDATES

Hello community

January is here. I hope that everyone has had a happy new year and a restful holiday. We had a stellar year at the thrift store. Our customers and volunteers stayed dedicated through it all. We have established a real sense of community here.

We've had our annual thrift store Christmas party. You can see everyone having fun in the photos. We'd love to add a few people to next year's crowd. This year there were 75 members in attendance. We have plenty of room for more. We are now looking to add a tech savvy person to the team. If you have experience with social media, online sales and shopping. You can volunteer or apply online or in store. We offer confirmation of hours completed for your graduation. We can also help you to gain valuable work experience.

The year has flown by with many successful changes. A few things that remain the same are our colored tag sales. Red and orange tags are on sale 50% off for the month. Hard cover books will be on sale 50% off for the first two sales weeks of January. We are open for regular sales through this month.

The thrift store is still seeking donations of warm winter clothing. These donations will help us to sponsor shelters through the colder months. The thrift store has limited space so please pass on larger items to other charities. We are unable to accept furniture. Please refer to our website to see which items we cannot accept. We also have signage posted at our door.

Thank you for reading and for being a part of the BVU TS!
